

Product Name	Description	Price
--------------	-------------	-------

micPower LCU400 Family of:

CT-Based Single-Phase Load Control and Power Monitors

LCU400A	LED Display Version. Power Transducer Analog Output	US\$ 219.00
LCU420-424	LED Display Version. Load Control Unit with Application	US\$ 199.00
LCU420A-424A	Same as above with Analog Output	US\$ 219.00
LCU450AG	Graphic Display Version of LCU400A family	US\$ TBD
LCU450G	Graphic Display Version of LCU400 family	US\$ TBD
External CT	50/5, 100/5, 200/5	US\$ 35.00

micPower LCU500 Family of:

Shunt-Based Three-Phase Load Control and Power Monitors

LCU500A	LED Display Version. Power Transducer Analog Output	US\$ 299.00
LCU520-524	LED Display Version. Load Control Unit with Application	US\$ 279.00
LCU520A-524A	Same as above with Analog Output	US\$ 299.00
LCU550AG	Graphic Display Version of LCU500A family	US\$ TBD
LCU550G	Graphic Display Version of LCU500 family	US\$ TBD

micPower LCU600 Family of:

Hall-Sensor Based Single-Phase Load Control and Power Monitors

LCU600A	LED Display Version. Power Transducer Analog Output	US\$ 359.00
LCU620-624	LED Display Version. Load Control Unit with Application	US\$ 339.00
LCU620A-624A	Same as above with Analog Output	US\$ 359.00
LCU650AG	Graphic Display Version of LCU600A family	US\$ TBD
LCU650G	Graphic Display Version of LCU600 family	US\$ TBD

Hall-Sensor Based Three-Phase Load Control and Power Monitors

LCU600A3P	LED Display Version. Power Transducer Analog Output	US\$ 479.00
LCU620-6243P	LED Display Version. Load Control Unit with Application	US\$ 459.00
LCU620A-624A3P	Same as above with Analog Output	US\$ 479.00
LCU650AG3P	Graphic Display Version of LCU600A3P family	US\$ TBD
LCU650G3P	Graphic Display Version of LCU6003P family	US\$ TBD

Modbus RTU versions could be added on custom demand.

micPower LCU800 IP66 Remote Control Units

LCU800A	LED Remote Control for pure Power Transducers	US\$ 99.00
LCU800B	LED Remote Control for Load Control with Application	US\$ 99.00
LCU802	Graphic Display Remote Control for Graphic Units	US\$ TBD

micPower LCU900 Family of:

Power Sensors for Tool-Monitoring

LCU910	TBD	US\$ TBD
LCU920	TBD	US\$ TBD
